

Lee, Seung Ho

이 승 호

Adjunct Professor, aSSIST
Executive VP, Artificial Intelligence Research Institute

RESEARCH AREAS

AI, Pattern Recognition
Enterprise Collaboration SW
Business Process Management (BPM)
Robotic Process Automation (RPA)

TEACHING AREAS

Robotic Process Automation (RPA)
AI App. Development using App Inventor

EDUCATION

- Ph.D for Computer Science, KAIST, Korea
- MS for Computer Science, KAIST, Korea
- BS for Computer Engineering, Seoul National University, Korea

EXPERIENCE

- Executive VP, Artificial Intelligence Research Institute
- Executive VP, R&D Center, Handysoft
- Vice President, R&D Center, Konan Technology
- CTO, R&D Division, SK Communications
- Technical Director, SW Development Group, Future Systems
