

## Park, Sang Chul

박상철

Chair Professor, Seoul School of Integrated Sciences and Technologies  
Research Chair Professor, Chonnam National University  
President, Korea Support Committee for IVI

### RESEARCH AREAS

Mechanism of aging and longevity  
sociology of life

### TEACHING AREAS

Biochemistry  
molecular biology  
aging chemistry  
longevity  
well-aging

### EDUCATION

(1980) Doctor of Medicine, Seoul National University  
(1975) Master of Medicine, Seoul National University  
(1973) Bachelor of Medicine, College of Medicine, Seoul National University

### EXPERIENCE

(2018 ~ Present) Research Chair Professor, Chonnam National University  
(2016 ~ 2017) Chair Professor, Daegu Gyeongbuk Institute of Science and Technology  
(2013 ~ 2015) Vice President of Samsung Advanced Institute of Technology at Samsung Electronics  
(2011 ~ 2012) Head of Lee Gil Ya Cancer and Diabetes Institute, Gachon University  
(2006 ~ 2011) Head of SNU Institute on Aging  
(1995 ~ 2006) Head of SNU Well Aging Research Center  
(2005) President of Korean Society for Molecular and Cellular Biology  
(2004 ~ 2006) Committee Chair of International Centenarian Consortium  
(2002 ~ 2003) President of The Korean Association of Gerontology and Geriatrics  
(2002) President of Korean Society for Biochemistry and Molecular Biology  
(2000 ~ 2004) President of International Association of Biomedical Gerontology  
(1980 ~ 2011) Professor at School of Medicine, Seoul National University

## PUBLISHED JOURNALS

- 당신의 100세 존엄과 독립을 생각하다 (코리아닷컴, 2019)
- 마그눔 오피스 2.0 가상의 신화에서 가능한 과학으로 (우듬지, 2019)
- 당신의 백년을 설계하라 (생각속의집, 2012)
- 웰 에이징 건강하고 당당한 100세 청춘을 준비하는 내 몸과 생활습관 개혁 매뉴얼 (생각의 나무, 2009)

## AWARD

- (2020) SinoPhil International Peace Award (nominee)
- (2017) Presidential Award Lecture, Korean Society for Molecular and Cellular Biology
- (2017) IAGG Presidential Award
- (2015) Honorary Member of Japan Society for Biomedical Gerontology 2015
- (2011) Presidential Award Lecture, Korean Society for Biochemistry and Molecular Biology
- (2011) Grand Prize, The Korean Society For Gerontology
- (2005) Donghun Biochemistry Award
- (2002) Order of Civil Merit, Moran Medal
- (2002) Winner, The Yuhan Prize for Medicine
- (1992) Winner, Kumho Award
- (1991) Minister Award, Ministry of Science and Technology
- (1990) Winner, Scientist of the Year Award
